

< XP 1500 >

Economical exterior cleaner.

Product description

XP 1500 is an alkaline cleaner with foaming action for all types of vehicles. Economical in use.

Properties

XP 1500 is especially developed for removing the static traffic film and fatty pollution on all types of vehicles.

XP 1500 is developed for applications where the concentration of use is difficult to control or where a higher concentration is needed.

XP 1500 contains corrosion-inhibitors.

Directions for use

XP 1500 spray or foam a concentration of 2 – 7% on the vehicle, depending on the degree of dirtiness. Apply from the bottom to the top.

XP 1500 can also be used as:

- Alkaline rim cleaner: 20-50%
- anti-insect: 10%
- in truck wash installations: 3-10%

Rinse thoroughly with a high pressure unit.
