

< BLUE BRILLIANT POLISH >

Strong concentrated 3-in-1 wax for all carwashes.

Product description

BLUE BRILLIANT POLISH is a very concentrated 3-in-1 wax for all application systems.

Properties

BLUE BRILLIANT POLISH is a 3-in-1 solution, combines a dryer-, wax- and conserving agent in 1 product.

BLUE BRILLIANT POLISH gives an immediate breaking of the water film, in every installation.

BLUE BRILLIANT POLISH leaves a protective coating with a deep shine, on the bodywork.

BLUE BRILLIANT POLISH is an environment friendly product and is biodegradable.

Direction for use

- Dose 0.1% of **BLUE BRILLIANT POLISH** in the water of the waxing arch. Use approx. 10 to 20 l water per car, and 10 to 20 ml product.
- Dry the car.
- For high pressure applications, weaker dosages can be sufficient.
- For manual car washing: dilute 10 ml **BLUE BRILLIANT POLISH** at the last rinsing water, dry with a clean non-marking cloth. Never let dry.
