

C TRUCKCLEANER EXTRA [®]

Strong alkaline exterior cleaning product
for trucks.

Product description

TRUCKCLEANER EXTRA is a strong alkaline, foaming exterior cleaner for all vehicles.

Properties

TRUCKCLEANER EXTRA is especially developed for the removal of road dirtiness, traffic film and fatty dirt on trucks.

TRUCKCLEANER EXTRA is user-friendly and can be applied by a sprayer or foaming device.

TRUCKCLEANER EXTRA contains corrosion-inhibitors.

Directions for use

TRUCKCLEANER EXTRA sprays or foam a concentration of 1-7%, depending of the dirtiness from the bottom to the top.

TRUCKCLEANER EXTRA can also be used as:

- Alkaline rim cleaner: 10-50%
- anti-insect: 5-10%
- in truck wash installations: 2-7%

Clean thoroughly with a high pressure unit.

Specifications

Appearance:	clear light amber liquid
pH (1%):	ca. 12.0
