

< SP 2800 >

Alkaline exterior cleaner with foaming action, cleans all vehicles

Product description

SP 2800 is an alkaline cleaning product with a foaming action suitable for all vehicles.

Properties

SP 2800 has been developed to remove the static road film and fatty dirt.

SP 2800 is user-friendly and can be sprayed or foamed to surfaces.

SP 2800 contains corrosion-inhibitors

Directions for use

SP 2800 spray or foam a dilution of 1 to 7%, depending of the degree of dirt on the surfaces. From below to the top.

SP 2800 can also be used as:

- Decopolymerisation of new cars (PSA group): 10-20%
- Alkaline wheelcleaner: 10-50%
- Bug remover: 5-10%
- in truck wash installations: 2-7%

Rinse off, preferably under high pressure.

Specifications
